Dear Ms Ng,

I have great pleasure to inform you that a student of our school, Ip Sau-yan(葉守恩), a former graduate of your school, has obtained excellent academic results in the 2013 Hong Kong Diploma of Secondary Education Examination and has been admitted into the Faculty of Engineering at the City University of Hong Kong.

His brilliant achievements were ample proof of the support and guidance rendered by you and your colleagues in her formative years. We look forward to partnering with you again in helping to develop more students into outstanding achievers.

Wishing you all the success in the year ahead!

Yours sincerely,

Luk Sze Yin-yin
