Dear Parents/Guardians,

Our school will take part in the “Charity Plant Sale” held by the Community Chest on 3rd March 2016 (Thursday). It aims to teach students to show concern for the needy in society. This activity promotes civil education and encourages our students to participate in community and charity services.

Donation: At your discretion. (For each donation of $10, you will receive one flower on the 3rd March 2016. For $20, you will receive two...and so on.)

Please hand in the reply slip and donation to your class teacher on or before Friday 26th February, 2016. If you have any enquiries, please contact Miss Tsui Wing Mui on 29830785.

Thank you for your attention.

Yours faithfully,

Ng Lai Ying
Principal
