

Holy Family School Notice 1615
Recruit 'IT Challenge Award' Members

13th September, 2016

Dear P.4 to P.6 Parents/Guardians,

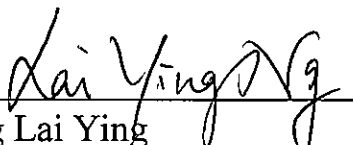

In order to foster students' lifelong learning and to increase their self-confidence, our school is participating in the "IT Challenge Award" organised by The Hong Kong Association for Computer Education. The "IT Challenge Award" is a specially designed program for primary school students that is aligned with the "Information Technology Learning Targets". Students can obtain awards of "Certificate", "Bronze", "Silver" and "Gold" according to their interest and progress. Students from P.4 to P.6 who are interested in this award scheme are instructed by Miss Au and Miss Tsui after school. It is highly recommended that you encourage your child to join this award scheme. Details are as follows:

1. Administrative and materials fee: \$50 (including an IT challenge handbook and all the administrative fees)
2. Application fee will go towards the following awards:
 - a) "Certificate" award: \$10
 - b) "Bronze" or "Silver" award: \$20
 - c) *Nomination of "Gold" award: \$20

*Note: The fee paid is only used for nomination for the "Gold" award. It is not refundable if you do not attain the "Gold" award.

Yours faithfully,

Ng Lai Ying
Principal
